*In Some States the Sales Tax is calculated on the full retail price or the VZW cost of the device you purchase and not on the discounted price you pay. Some users may not be permitted to bill charges to their account, purchase order, and/or credit card. This may prevent you from completing your order online today. CA and NV calculate tax based on full retail value of the item(s) purchased. MA calculates tax on whichever is greater: full retail value or Verizon's cost of the item(s) purchased. Those shipping to these states will be paying tax on the Full Retail value.

*PURSUANT TO THE TERMS OF THE STATE OF RHODE ISLAND PARTICIPATING ADDENDUM (PA) TO THE NASPO VALUEPOINT MASTER AGREEMENT #MA152, PURCHASES UNDER THE PA ON CRU ACCOUNTS (AS DEFINED IN THE MASTER AGREEMENT) ARE ASSESSED A RHODE ISLAND STATE REPORTING & ADMINISTRATIVE FEE OF 1.0%.

Device Unlocking Policies for Business:

In order to mitigate theft and other fraudulent activity, newly purchased devices are "locked" to work exclusively on the Verizon network. Devices that you purchase from Verizon are locked for 60 days after purchase. Devices that you purchase from our retail partners are locked for 60 days after activation. After 60 days, we will automatically remove the lock. Following the 60 day lock period, we do not lock our phones at any time.
